   3rd Guard Division
From French Front to Russo-Rumanian Front
   16th Division

---
3 In November 1916 the Germans apparently were rotating divisions from the Russo-Rumanian front to the French front and replacing them with divisions drawn from the French front. The purpose, though not stated, was probably to stand down divisions on quiet portions of the Russo-Rumanian front and rebuild them, while their stronger replacements were shipped to the active French front.
215th Division
53rd Reserve Division
15th Division
7th Cavalry Division

December 1916
