\^6 The Italian detachment was formed on 1 July 1917 and after 8 November it served as part of the Composite Force mobile column.

\^7 The Yeomanry Regiments of which the Yeomanry Division was composed, left England in 1915. They served as detached brigades and regiments in Egypt, Gallipoli, and Salonika. It took part in the advance from the Suez canal and the battles of Gaza in March and April 1917. In August 1917, they were reorganized and joined the Desert Mounted Corps as the Yeomanry Division. Six regiments were withdrawn in April 1918 for service as machine gunners on the Western Front, the vacancies being filled by Indian cavalry regiments. The division became the 4th Cavalry Division in July 1918, and the 6th, 9th and 22nd Mounted Brigades became the 10th, 11th and 12th Cavalry Brigades, respectively.
